Have you ever thought about becoming a Catholic school teacher? The Drexel Catholic Teacher Academy, a partnership between the University of St. Thomas, Drexel Mission Schools, and community college partners, offers a clear path to a bachelor's degree and a Minnesota teaching license, with paid classroom experience in Drexel Mission Schools along the way.

Scholarships, mentoring, and academic advising help remove the barriers that keep talented people out of the classroom. Students who still need to finish their associate degree or the Minnesota Transfer Curriculum can receive reimbursement for up to 12 community college credits.
